

Dear Parents and Caregivers,

Due to the Government announcements regarding Covid 19, parents and caregivers will no longer be allowed to come into classrooms until further notice.

You are all welcome on site to pick up and drop off students preferably with masks, but this is not mandated.

Please avoid mingling in groups on school grounds and social distancing is important in all areas of the school.

Large group events such as assemblies, camps, discos, lunch time clubs, choir, band are also all postponed until further notice.

Swimming lessons are permitted to go ahead and will as planned.

We greatly appreciate the amazing support of our Parkfield community in these ever changing times.

Kind regards,

Charlie Serravite

Principal
