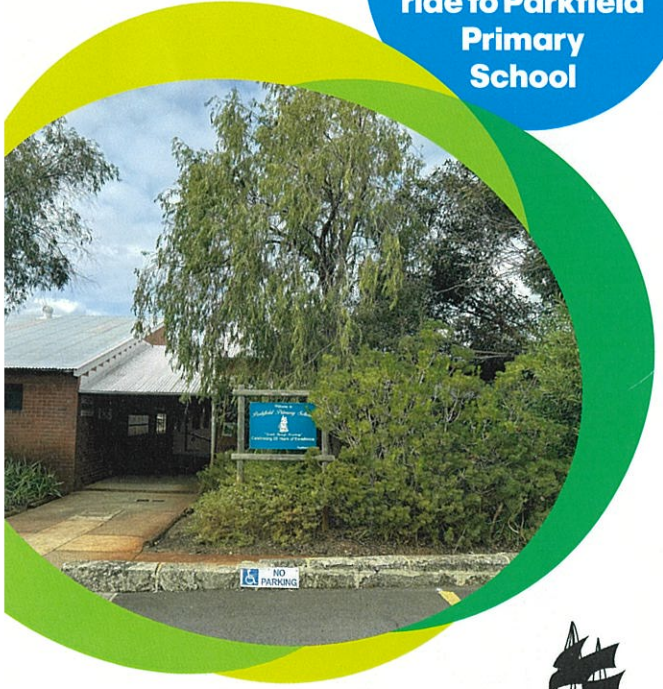
**This map makes it easy to plan the best route to walk or ride to Parkfield Primary School**



PARKFIELD

**Parkfield Primary School is a Your Move School and encourages all students to walk, ride or scoot to and from school where possible.**

Lots of kids are walking, riding and scootering to our school every day. Here's a nifty little map to help you plan your way to school.

Getting active on the way to school means you have time to spend with your family and friends, can focus better in class, stay fit and healthy, plus gain some independence and do the right thing for our environment.

**If walking or riding the whole way to school isn't an option, ask your parents to park nearby then walk or ride the rest of the way!**

*"I enjoy walking to school because it gives me a chance to relax and connect with friends before working. It teaches me to be safe and responsible on roads and footpaths."* Charlie

*"My favourite part about riding to school is that I ride with my friends. The exercise sets me up to learn for the day. When I ride to school, I wear a helmet to keep me safe. When I cross the road I look both ways."* James
